Driver Announcement

On behalf of Tim Rayl and the J Rayl Management team I would like to announce a special program we are implementing to support the J Rayl drivers that are working hard every day to keep America's supply chain moving. Effective April 5, 2020 and spanning until May 2, 2020 we are implementing a special bonus for all J Rayl drivers. The program will span four full weeks and give our drivers the opportunity to earn additional money to support their family and loved ones. Details are being distributed now but this program represents approximately a 20% increase in pay for the J Rayl over the road fleet! Our drivers are part of our family and right now it is critical that we support our family!

Thank you,

Ryan J Richards
Chief Operating Officer- J Rayl Transport
